

**Application: Application: Aplicación:**

Volkswagen Beetle, Cabrio, Golf III, Golf IV, Jetta, Passat | Audi TT, Quattro

**Carbon filter replaces particulate filter.**

**Location of cabin filter:**

In front of the windshield under the cowl vent screen in the air intake box on the passenger side of the vehicle.

**Tools:**

Phillips Screwdriver

**To remove existing filter:**

1. Open Hood. (Fig.1)
2. Unscrew the plastic trim screws holding the cowl vent screen in place. (Fig. 2)
3. Remove the sectional rubber cushion by raising and pulling back towards the middle of the vehicle. (Fig. 3)
4. Remove the cowl vent screen. (Fig. 4)
5. Open the retaining clips holding the filter frame in place. (Fig. 5)
6. Remove the filter frame and used filter by lifting out of filter frame base. (Fig. 6)
7. Insert the new filter in the filter frame by pushing the two ends of the filter into the outer pockets of the filter as shown in Fig. 7.
8. To complete installation reverse steps 1 thru 5.
